

Mrs. Kidder's FRIDAY News

1ST AND 2ND GRADE

MAY 3, 2024

Dear Parents,

We were all so proud of the students last night. The performance went very well. Because of rehearsals, we did not get to all of our subjects every day. The 1st graders have finished their math books! 700 pages of math is an accomplishment. 2nd graders have more to do, but we will keep working at it. 2nd graders are working on money, which is a great skill to practice at home. Put out some change, and have them count it.

Spelling Words 1st Grade

MAP TESTING: I am sending home the results of the map testing.

SPELLING: I will be using the next 3 weeks to review words; we will have no new spelling lists.

ALL SCHOOL FIELD TRIP: Next Friday, we will be taking the whole school to South Haven for Pioneer Days. If you are planning to go with us as a driver, please do not wait until Friday to let us know. Mrs. Scott is trying to get the drivers all organized so we will be ready for Friday morning.

We will be leaving after chapel (about 9am) and returning by 3pm. We will be stopping for ice cream on the way home. 😊

VESPERS: Please check out the school newsletter for info about our school vespers coming up. We would love to have you all there.

READING: Continue to have your child read at home every day. I am hoping you will check out summer reading at the library. It is a great way to motivate your child to read during the summer months.
